

Texas High School Coaches Circle

Since inception, Gridiron Heroes Spinal Cord Injury Foundation has donated 15 wheelchair-accessible vans and provided direct support of nearly \$900,000 to more than 39 Texas High School Football Players who have sustained a life changing spinal cord injury. Additionally, the Foundation has become an important resource and inspiration to those who have experienced a catastrophic spinal cord injury and for those who love and support the game.

In 2011, Gridiron Heroes and its founders, Eddie & Chris Canales, were recognized as a Top 10 CNN Hero of the Year for their significant impact.

Gridiron Heroes Spinal Cord Injury Foundation is a 501(c)(3) nonprofit organization. It does not receive any government support or funding from the THSCA. It relies solely on private contributions.
